Quality rentals, close to campus, available June 1, 2018 through May 26, 2019. Security deposit required. May 2019 rent and carpet cleaning estimate are due prior to move in. Occupancy for one to ten people. Most have off-street parking. Lawn care provided at all properties. Tenant pays all utilities. Where laundry is available and it is not coin operated, the cost is \$10.00 per person per month. We have full-time maintenance personnel available for prompt response to problems should any arise. Don't be fooled by other property owner's offerings of "free" incentives to entice you to rent their properties. Take a look at the true cost of their incentives by simply comparing our properties and rental prices with those of our competition. Our focus is providing quality, comfortable, and affordable housing that is supported by a friendly, respectful, and knowledgeable management and maintenance staff. Ask current and past tenants of CWREE about their rental experience and then, come check us out yourself. Please contact us by phone, email, or stop in at our office for more information or to set an appointment to tour our properties. Check out our new website at [www.cwree.com](http://www.cwree.com) Office hours: Monday-Friday, 9am-5pm. Closed weekends and Holidays. THANK YOU!
